

FOURTH ASSIGNMENT (February 16 - February 23)

FINISHING THE LOG

- View your last footage and finish your log.

DOWNLOADING THE MATERIAL

- Make an appointment with your instructor (flvs@nwu.edu) to learn how to download your material onto the editing station
- You will also be given a password to protect your material

First Editing Hour

In order to have a chance to ask questions about how to edit, we will spend the Friday class on the computer editing.

Since we only have three editing stations, we would like to split the class so that all of you have a chance to work with the instructor and ask questions.

Please discuss your schedules with the other members of the group and find a time all of you can come:

Friday, February 23, from 10:00 - 11:00
