

## FIFTH ASSIGNMENT (February 24 - March 2)

### DOWNLOADING THE MATERIAL AND FINISHING THE ROUGH CUT

- Download all of your material to your computer station:
- Finish the rough cut in Imovie 2:
  - Choose the footage for your intro segment.
  - Add the intro narration.
  - Look at all of your interview footage.
  - Choose the interview portions that are appropriate.
  - Add your questions or the narrative parts in between.
  - Add appropriate footage to cover the narrative voice.
  - Choose the footage for your final segment.
  - Add the narrative part for your final segment.
- Make an appointment with your instructor ([flys@nwu.edu](mailto:flys@nwu.edu)) before Friday to have her look at the rough cut.

**Note:** There are two groups per computer (Group 1 and 2 on Computer Station One, Group 3 and 2 on Computer Station Two, Group 5 and 6 on Computer Station Three.

## Second Editing Hour

In our last editing session, we will accomplish the following:

- Learn how to add titles
  - This is important if you have somebody giving an interview on the screen.
- Create a movie title with the names of the movie producers.
- Create the trailer for credits. Here are the things that need to be on such a trailer:
  - Names of the people who worked on the project.
  - Names of people whom you interviewed.
  - Names of locations who permitted you to film.
  - Credit the sources if you used copyrighted material.
  - Credit the music source.
  - A copyright statement.
- Add music to your final project.
- Learn how to export your project.

We are again splitting the class so that all of you have a chance to work with the instructor and ask questions. Please discuss your schedules with the other members of the group and find a time all of you can come:
